Secretly crushing

Crushed by a tragedy

Charlee May's been crushing on Dexter Hollingworth since she was fifteen. Five years later, a horrific skiing disaster at Mason's Ski Lift Resort leaves her millionaire dad critically injured and her mom dead at the hands of Dexter operating the lifts. Charlee is suddenly the sole caretaker for her little brother while their world falls apart.

Dexter couldn't be more different from Charlee. He's tattooed, avoids exclusive relationships and his Dad has a fair share of illegal dealings. With Dexter's reputation, almost everyone believes he planned the Mason's skiing disaster.

And after all these years he's still crushing on Charlee May, the girl who's too good for him.

When this cruel twist of fate ties Charlee's family and Dexter's reputation together, Charlee and Dexter wonder if their feelings are reciprocated, while Dexter discovers his dad is trying to steal the May's millionaire fortune.

But like an addiction, one look, one touch, one taste--they're hooked no matter the consequences.
