For your info, savingjaneonline do not save Surprise Me download books free pdf on our website, all of book files on this web are safed on the internet. We do not have responsibility with content of this book.

After being together for ten years, Sylvie and Dan have all the trimmings of a happy life and marriage; they have a comfortable home, fulfilling jobs, beautiful twin girls, and communicate so seamlessly, they finish each other's sentences. However, a trip to the doctor projects they will live another 68 years together and panic sets in. They never expected "until death do us part" to mean seven decades.

In the name of marriage survival, they quickly concoct a plan to keep their relationship fresh and exciting: they will create little surprises for each other so that their (extended) years together will never become boring. But in their pursuit to execute Project Surprise Me, mishaps arise and secrets are uncovered that start to threaten the very foundation of their unshakable bond. When a scandal from the past is revealed that question some important untold truths, they begin to wonder if they ever really knew each other after all.
